

MY CHURCH SURVEY RESULTS

For: Carla James - Based on Input dated 27-Mar-2021

Greetings Carla ,

Page One of this report compares your input to benchmark data (BM) we collected from people who have a strong relationship with God and/or the church. The highlighted (Gap%) reflect how your input is better or below the BM. This page is structured in four sections representing the steps to congregational engagement. See www.NoMoreOverload.com/ec

WHAT NEXT?

This report is a thinking and discussion tool. There is nothing you can do that changes God's love for you. Having said that, as our good father, He desires that you grow in your relationship with Him and your church family.

On Page One, statements in the red text reflect spiritual indicators of your relationship with God. Statements in black text are engagement indicators of your relationship within the church family. Further, the 24 statements are in 4 groups or categories representing the steps to church engagement. In the table below we list your average scores from Page One, plus we consolidated the spiritual indicator statement scores and related benchmark data and % Gap.

Category	Your Score	Bench mark	Gap%	Desired Change Write statement number and your desired change.	Desired Goal
Receiving	3	4	-25.0%		
Giving	3.83	4.12	-7.0%		
Belonging	2.67	3.51	-23.9%		
Growing	3.83	3.91	-2.0%		
Spiritual	3.82	4.09	-6.6%		

Reflection Questions:

- * As you consider the above scores which category results give you the greatest joy and which give you the greatest concern?
- * For the category that gives you the greatest concern refer to Page One. Which statements scores would you like to
- * At a future point, you can return and do the survey again. What would be your desired change goal?
- * Would you like to discuss this report with a pastor or your church leader? Yes/No – Why?
